180X200
200X200

“Sustainable Life. Quality Sleep”

Smartlife Visco mattress is designed for those who expect high personalized comfort. It meets the personalized comfort expectation at the highest level with the memory visco foam technology in the pillow-top layer that maximizes sleep comfort and the pocket spring combination at the bottom. The visco layer, which adapts to your body movements during sleep, supports your spine by taking the shape of your body and reducing pressure. With its pocket spring system, it provides a more comfortable sleep environment by helping couples avoid the discomfort due to body movements of each other. The licensed SEAQUAL fabric used on the top of the bed supports sustainable living. Made from special recycled yarns, this fabric also helps to regenerate your cells during sleep with its Algae Spirulina finish made from natural algae extracts.

Palmon

A Sophisticated Touch to Bedrooms

Take a look at the Palmon Set to create your dream bedroom! Conceived from the combination of modern design with sophisticated details, Palmon set creates a unique style in bedrooms.

“Natural Sleep in All Seasons”

Duo Sense Bamboo mattress is designed for those who want to take sleep comfort one step further. Duo Sense Bamboo, which can be used on both sides, offers a fresh and pleasant sleep thanks to the natural softness and breathing nature of bamboo fabric. The cotton layer used on one side of the mattress helps to reduce sweating through its breathability in summer, while the wool layer used on the other side helps to maintain the body's ideal heat balance on cold winter nights. In addition to these, it provides the right spine support with its 5-zone pocket spring technology, while providing a more comfortable sleep experience by providing moisture management with its cotton layer.

Zest

Express Your Style with Minimal Details
